

Success Story

Ed-Tech company uses Bulk Sending feature to 10,000+ individuals for signing contracts

Overview

An ed-tech company specializing in children's coding education wants to streamline the process of rolling out offer letters to over 10,000 teachers across India. Facing the challenge of obtaining approvals from a large number of professionals while ensuring traceability, meeting deadlines, and sending reminders efficiently.

Business Challenge

- Rolling out offer letters for onboarding teachers as course professionals.
- Seeking approval from 10k+ professionals simultaneously.
- Ensuring traceability of all records.
- Meeting approval deadlines.
- Sending reminders efficiently.
- Facilitating seamless bulk document sending.

Our Solution

- Cygnature private tenant option was provided to client with Aadhaar e-sign credits.
- Using the bulk sending feature of Cygnature, client was able to send 10,200 contracts for signing to its teachers across India and get over 75% signed within a single week.
- It is a white label solution.

Business Outcome

Time saved

Quick turnaround

Saved candidate's overall paper costs

Bulk sending

About Client

Our client offers an online platform for children's coding and computer science education. Their mission is to equip young learners with programming, app development, and technology skills. The platform provides personalized one-on-one live coding classes by expert instructors, tailored to each child's pace and level. It fosters creativity, critical thinking, and problem-solving through interactive projects, nurturing future tech leaders.

About Cygnature

Cygnature pioneers secure, paperless document signing through its cloud-based SaaS platform. Employing advanced encryption, it safeguards document integrity and authenticity, accessible solely to verified users. With features such as bulk signing, and support for national IDs such as Aadhaar and UAE Pass, Cygnature establishes itself as the industry benchmark for secure digital signing solutions, ensuring efficiency and trust in every transaction.
